**Your Candidate
for a
Good Time**

A fresh new face with a long tradition...

You can always count on **Beaujolais Nouveau** to

- partner well with food
- be effective on his own
- be light
- and fruity.

Beaujolais Nouveau is a *strong advocate for natural cork stoppers, and is totally opposed to building a slaughterhouse in northeast Calgary.*

Beaujolais Nouveau was raised in Burgundy. His mother is the well-known grape, Gamay Beaujolais. Fresh, open and occasionally slightly petillant, Beaujolais Nouveau is known for making an entrance more than for making a statement. He is a long-time associate of such illustrious people as Georges deBoeuf, Joseph Drouhin and fully two generations of the powerful Bouchard family.

Beaujolais Nouveau has been an active party member in Calgary for many years.

Here is what people are saying about Beaujolais Nouveau...

"I always have a good time at any party with Beaujolais Nouveau. People claim he's too young and has no staying power. But after three months, does any candidate live up to their promises?"

- Richard Patching

"After sampling what the first few candidates have to offer each year, who cares about the rest? Can Georges deBoeuf really steer you wrong? I like Beaujolais Nouveau and I'm not afraid to say so."

- Kathleen Biersdorff
